

Article number	4610119
Article designation	Edge protector

This edge protector is made of EPDM and has a steel insert. Because of the high bending radius of this finishing profile, it is easy to bend around corners. The rubber profile is easy to fasten and protects from sharp edges. It is temperature resistant from -40°C up to +100°C.

General information

Assembly profile	EPDM ES-06
Assembly insert	Steel 1.0347
Clamping range	5-8 mm
Colour	black

Directives

Reach	Compliant
RoHS - RL 2002/95/EG (EC)	Compliant
Altauto - RL 2000/53/EG (EC)	Compliant
